Principal's Message:

Happy January!

January started off with an extended break and remote learning. Thanks to the families for working hard through this time.

The return to in person learning brought about some changes with code level orange. Some classrooms were re-organized and moved throughout the school. Below is a picture of the new grade 4/5 classroom.

Thanks to families for being diligent with their daily self-screenings. Balmoral School was happy to receive a shipment of antigen tests for distribution of K-6 families.

Balmoral School looks forward to our continued health and to learning opportunities in 2022.

Thanks,

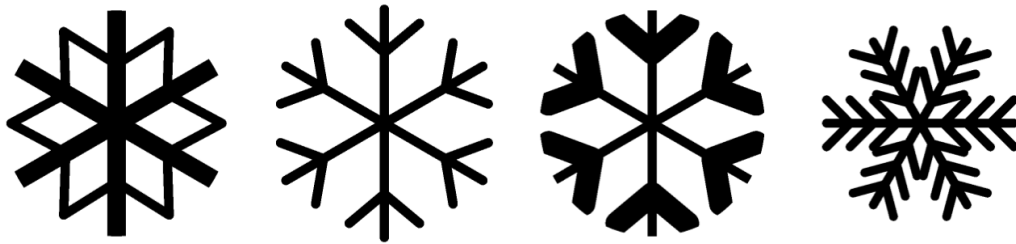

Mark Lawson

Balmoral Staff would like to thank all the parents for the treats and lovely gifts received during December.
